Application for 2019 Water and Sanitation Training Program

CAS-TWAS Centre of Excellence for Water and Environment (CAS-TWAS CEWE) is established in the Research Center for Eco-Environmental Sciences (RCEES), Chinese Academy of Sciences (CAS). The goal of CEWE is to culture the professionals in the field of water and environment for the developing world through training, education and joint research programs.

In 2019, CEWE will initiate two types of training programs for water professionals from the developing and emerging countries, i.e., Short-Term and Long-Term. The training program consists of lectures, technical tours, workshops and other related events. The long-term will have an additional 10 weeks' internship in the laboratories. All expenses for approved applicants, including airfare, accommodation, registration and meals, will be covered by CAS-TWAS CEWE.
